Of Special Interest This Week

+ FBIS London Bureau monitored on 15 January via satellite the Gorbachev statement on disarmament carried in the Soviet press on 16 January. The initial report, which was several hours ahead of western press agency reports, was used by Admiral Poindexter to brief the President. (U/AIUO)

+ FBIS Bangkok Bureau's satellite monitoring system has now achieved operational status, with the bureau filing a number of items from the Philippines and Indonesia while continuing to assess the full range of satellite material available. (U/AIUO)
